BURLINGTON—NORTHERN PACIFIC—GREAT NORTHERN
TRAVEL BUREAU
1402 BURLINGTON BUILDING
547 WEST JACKSON BLVD.
CHICAGO, ILL.

Dear Friend:

Last year you were one of the many thousands who wrote us for information about the great vacationland of the Pacific Northwest.

It was our pleasure, then, to be of service to you. Now, the vacation season is at hand again. Perhaps you had the delightful experience of visiting the American Wonderland last year. Or you may still be looking forward to this wonderful trip.

If so, we wish to renew our offer to send you any information you may desire. For your convenience, we are enclosing a post card.

Our new de luxe edition of "The American Wonderland" is a beautiful and intensely interesting booklet. Would you like to have us send you a copy?

Also, we have some very interesting booklets describing the great Colorado vacation region. If you are interested in this fascinating playland, we shall be glad to tell you all about it.

Simply check the booklets you would like to have and return the post card to us.

Very truly yours,

BURLINGTON TRAVEL BUREAU,
